EPS Mail-Back Program Sigma-Aldrich Coolers ONLY

Drop off Life Technologies coolers in front of Core Bio Services, BSB 305.

For all other suppliers, separate the cooler from its cardboard box and place them both in a BLUE RECYCLE BIN.

- 1 Remove the Sigma-Aldrich product(s) and dry ice or gel packs you received from the polystyrene (Styrofoam®) cooler.

- 2 Place the empty Sigma-Aldrich polystyrene cooler back in the box it came in.

- 3 Switch the flaps of the shipping box inside out, tape, fill out your shipping information and send.

The inside flaps contain pre-paid shipping and address information.
